</table>
15:30 – 16:30
Oral Presentations – Session 3

Session 3A – PRBB Auditorium
Attitudes towards companion animals I
15:30 – 15:50
A0016_The effects of video footage versus photographs on perception of dog temperament.
L. Clarke
15:50 – 16:10
A0017_An appetite for dogs: consuming and loving them in Vietnam.
A. Podberscek
16:10 – 16:30
A0036_A moveable beast: subjective influence of human-animal relationships on risk perception and behavior during bushfire threat.
J. Trigg

Session 3B – Room Marie Curie
Attitudes towards non-companion animals I
15:30 – 15:50
A0049_Which animals do we save and why? Factors that influence people’s willingness to pay for the conservation of endangered species.
L. Apostle
15:50 – 16:10
A0059_Exhibit Labels in Zoos: comparison between the classic and the interactive.
N. Iglesias (*Student award competition)
16:10 – 16:30
A0069_“It’s hard to eat a friend”. How goat owners confront the friend/food dilemma.
L. Zasloff
16:30 – 17:00
Coffee Break / Poster session
(Room Charles Darwin)

17:00 – 18:00
Oral Presentations - Session 4

Session 4A – PRBB Auditorium
Attitudes towards companion animals II
17:00 – 17:20
A0055_“Sit and stay, Chloe”: popular human names as dog names in contemporary New York.
M.P. Pregowski
17:20 – 17:40
A0083_Winning personalities: concern for purebred health risks does not impact breed choice.
B. Daly
17:40 – 18:00
A0124_Purebreds are like unicorns: understanding the breed ancestry of shelter dogs & the influence of breed labels on potential adopter perception.
L. Gunter (*Student award competition)

Session 4B – Room Marie Curie
Attitudes towards non-companion animals II
9:30 – 9:50
A0020_The horse sense project –The value of using an equine setting to meet therapeutic goals.
A. Darby
9:50 – 10:10
A0048_Service dogs and veterans: a phenomenological study exploring the lived experience.
C.A. Krause-Parello
10:10 – 10:30
A0037_Subclinical autism traits and psychological well-being in adults: so relationships with companion animals moderate or mediate the relationship?.
G. Petrou
10:30 – 11:00
Coffee Break / Poster session
(Room Charles Darwin)

8:00 – 13:30
Registration at the PRBB

8:30 – 9:30
Keynote Speaker
Dr. Harold Herzog (Western California University)
“Communicating what we know (and don’t know) about human-animal relationships.”

9:30 – 10:30
Oral Presentations - Session 5

Session 5A – PRBB Auditorium
Children and non-human animals I
9:30 – 9:50
A0008_Animal sentience: the influence of beliefs about animal mind on positive and negative child-animal interactions.
R. Hawkins (*Student award competition)
9:50 – 10:10
A0026_Cognitive and affective factors in children’s perception of animals.
S. Albone
10:10 – 10:30
A0110_How we can teach children and parents dogs’ body language.
K. Meints
10:30 – 11:00
Coffee Break / Poster session
(Room Charles Darwin)

11:00 – 12:20
Oral Presentations - Session 6

Session 5B – Room Marie Curie
Animal-assisted interactions III
9:30 – 9:50
A0032_Social behaviors and positive emotional displays increase in typically developing children in the presence of animals compared to toys.
N. Guérin (*Student award competition)
9:50 – 10:10
A0088_Examining lesser known risk factors in animal harm.
J. Becker
10:10 – 10:30
A0110_How we can teach children and parents dogs’ body language.
K. Meints
10:30 – 11:00
A0106_Factors involved in prosocial behaviour towards dogs: an exploratory study in 15 year old children.
J. Fatjó
11:00 – 11:20
A0050_A school-based intervention to enhance children’s understanding of animals’ welfare needs.
J. Williams
11:20 – 11:40
A0059_Service dogs and veterans: a phenomenological study exploring the lived experience.
C.A. Krause-Parello
11:40 – 12:00
A0106_Factors involved in prosocial behaviour towards dogs: an exploratory study in 15 year old children.
J. Fatjó
12:00 – 12:20
A0126_Reapproaching the pet-effect.
J. Eshuis
Session 6B
Room Marie Curie
Human-horse interactions

11:00 – 11:20
A0021_ The relationship between human-animal empathy and perception of pain among working horses owners.
D. Luna (*Student award competition)

11:20 – 11:40
A0028_ Human-horse relationships and veterinary care decision-making.
M. Mueller

11:40 – 12:00
A0114_ Horses in islamic tradition and muslim cultures. From islamic source texts to muslim attitudes towards horse today.
B. Ghiringhelli

12:00 – 12:20
A0018_ Effects of horsemanship training on psychophysiological health and perceptions of quality of life among military veterans with post traumatic stress disorder.
J.A. Jiménez

12:20 – 14:00
Lunch at the PRBB/ Poster session

13:00 – 14:00
Waltham session - NIH Sponsored Research

14:00 – 15:20
Oral Presentations - Session 7

Session 7A
PRBB Auditorium
Health effects of HAI

14:00 – 14:20
A0040_ Matching needs and sharing happiness: understanding why owners walk their dogs.
C. Westgarth

14:20 – 14:40
A0023_ Association between dog ownership, physical activity, and health-related quality of life in veterinary students.
V. Corrigan

14:40 – 15:00
A0024_ Does the presence of a dog reduce weight bias?
M. Crossman

15:00 – 15:20
A0084_ Companion animals, social engagement, and psychological well-being in older adults in the United States.
J. Bibbo

Session 7B
Room Marie Curie
Working dogs / Pet effect

14:00 – 14:20
A0034_ The importance of dog-handler interactions and handler characteristics in influencing scent detection dog success.
S. Beebe

14:20 – 14:40
A0034_ Factors affecting guide dog partnership success.
C. Whelan (*Student award competition)

14:40 – 15:00
A0047_ Training pet dogs for scent work as diabetes alert dogs.
T.J Howell

15:00 – 15:20
A0075_ The pet-effect in real life: the influence of companion animals on affect and self-esteem in daily life.
M. Janssens

15:20 – 16:00
Coffee Break / Poster session

16:00 – 17:00
ISAZ Annual General Meeting
Conference wrap up and awards

Sunday 10th July

Josep Marull Lecture Hall, Campus Mar
(Autonomous University of Barcelona)

9:00 – 9:30
Opening address
Peter SandØe (University of Copenhagen - Denmark) and Jaume Fatjó (Autonomous University of Barcelona - Spain)

Companion animal abandonment: size and ethical dimensions of the problem

9:30 – 10:15
Keynote Speaker
Kate Nattrass Atema (International Companion Animal Management Coalition)

Are We Making a Difference?: ICAM guidance for monitoring and evaluating dog population management interventions

10:15 – 11:00
Keynote Speaker
Jolanda Pluijmakers (Davalon - The Netherlands)

Long term housing of dogs and cats in shelters: welfare issues

11:00 – 11:30
Open discussion

Controversies on psychological aspects of animal abandonment, adoption and shelter management
Moderator: James Serpell (University of Pennsylvania - USA)
Pauleen Bennett, Antoni Bulbena

11:30 – 12:00
Closing summary
Peter SandØe and Jaume Fatjó.

12:00 – 12:45
Keynote Speaker
Pauleen Bennett (La Trobe University – Australia)

Animal abandonment and adoption: insights from studies on the human-animal bond

12:45 – 13:30
Keynote speaker
Antoni Bulbena (Autonomous University of Barcelona - Spain)

Compassion fatigue and burnout in animal shelters

13:30 – 14:15
Open discussion

CONTROVERSIES IN ANIMAL WELLBEING IN SHELTERS:
EUTHANASIA
Moderator: Peter SandØe
Elly Hiby, Jolanda Pluijmakers

14:15 – 15:00
Closing summary
Peter SandØe and Jaume Fatjó.
1–P0004  Recognition by local government officials about problems with pet feces in Japan
  NAOKO KODA
  Tokyo University of Agriculture and Technology, Fuchu, Tokyo, Japan

2–P0005  Engagement in Science and Engineering through Animal-Assisted Education
  MEGAN MUELLER, Cynthia Levelle-Webster, Elizabeth Byrnes, Danielle Buczek, Lisa Freeman, Deborah Linder
  Tufts University, Cummings School of Veterinary Medicine, North Grafton, MA, USA

3–P0113  Assessment of an animal-related university stress relief program
  MEGAN MUELLER1, Megan Barrett2, Caroline Cohn2, Rose Anne Lajara2, Jaye McLaren2, Lisa Freeman2
  1. Tufts University, Cummings School of Veterinary Medicine, North Grafton, MA, USA
  2. Tufts University, Medford, MA, USA

4–P0006  The Effect of Intake Type on the Adoptability of Shelter Cats
  MARIE CARMEN ABNEY
  Michigan State University, East Lansing, Michigan, USA

5–P0007  The dimensions of dog petting: comparison of post-stressor activity groups on social stress relief
  KRISTIN FINKBEINER1, Kirstin Woodruff2, William Helton1
  1. University of Canterbury, Christchurch, New Zealand
  2. Wilmington College of Ohio, Wilmington, OH, USA

6–P0009  Psychological Risk Factors for Childhood Animal Cruelty: A Systematic Review
  EMMA HAWKINS, Roxanne Hawkins, Joanne Williams
  School of Clinical and Health Psychology, University of Edinburgh, UK

7–P0010  Call Me Sheep: How looking at the social interactions of sheep can change human perceptions
  MARIKA S. BELL
  Masters student at the University of Exeter, UK. Department of Philosophy and Social Sciences

8–P0011  Social identification with animals and with humans: Associations with human prejudices, moral concerns, and glorification of the human identity
  CATHERINE AMIOT1, Brock Bastian1, Katharine Greenaway2
  1. UQAM, Montreal, Canada
  2. University of Melbourne, Melbourne, Australia
  3. University of Queensland, Brisbane, Australia

9–P0012  Promoting positive child-animal relationships and preventing animal cruelty through education
  ROXANNE HAWKINS, Joanne Williams
  School of Clinical and Health Psychology, University of Edinburgh, UK and the Scottish Society for the Prevention of Cruelty to Animals

10–P0015  Effect of sex, breed, age and body weight over dogs feeding behaviour
  JAIME FIGUEROA, Sergio Guzmán-Pino, Carem Muñoz
  Universidad de Chile, Santiago, Chile

11–P0019  Investigation of descriptions written by children who participated in the animal caring activity: Comparison with the descriptions in the activity to care for garden
  ASAMI TSUCHIDA, Mami Fujioka, Nao Yokoyama, Naoki Kimoto
  Tokyo University of Agriculture, Atsugi, Kanagawa, Japan

12–P0022  Animal welfare in working horses: a perspective from perception of pain of their owners
  DANIELA LUNA1, Rodrigo Lanás2, Rodrigo Vásquez3, Tamara Tadich3
  1. Programa Doctorado en Ciencias Silvoagropecuarias y Veterinarias, Universidad de Chile. Becario Conicyt., Santiago, Región Metropolitana, Chile
  2. Departamento de Fomento de la Producción Animal, Facultad de Ciencias Veterinarias y Pecuarias. Universidad de Chile, Santiago, Región Metropolitana, Chile
  3. Instituto de Ecología y Biodiversidad, Departamento de Ciencias Ecológicas. Facultad de Ciencias. Universidad de Chile, Santiago, Región Metropolitana, Chile

13–P0025  Protecting Participants in HAI Research
  MOLLY CROSSMAN
  Yale University, New Haven, CT, USA

14–P0027  Pet faces: Mechanisms underlying human-animal relationships
  MARTA BORGI, Francesca Cirulli
  Istituto Superiore di Sanità, Rome, Italy

15–P0030  Keeping goats in elementary schools and its educational possibilities in Japan
  SHIHO KUTSUI, Gen Watanabe, Naoko Koda
  Tokyo University of Agriculture and Technology, Fuchu, Tokyo, Japan

16–P0033  Current opinions in clicker training best practice and their relation to the scientific study of clicker training
  LYNN C FENG, Tiffany J Howell, Ka Ching Chan, Pauleen C Bennett
  La Trobe University, Bendigo, VIC, Australia
POSTER PRESENTATIONS

17–P0035 Children exposed to intimate partner violence: Examining the role of exposure to concomitant animal cruelty on children’s externalizing behaviors  
COLLEEN PARKER¹, Nani Moskal¹, Ksenia Dombo¹, Shelby McDonald¹, James Williams¹, Frank Ascione¹  
1. School of Social Work, Virginia Commonwealth University, Richmond, VA, USA  
2. Graduate School of Social Work, University of Denver, Denver, Co, USA

18–P0038 CAOVIDA CLUB: a non-profit, one health approach to childhood obesity  
JORGE PINTO FERREIRA¹, Joana Moreira¹, Luis Santos¹, Sandra Abreu¹  
1. CAOVIDA CLUB, Porto, Portugal  
2. Research Centre for Physical Activity, Health and Leisure, Faculty of Sport, University of Porto, Porto, Portugal

19–P0042 Six in-depth case studies of unsuccessful guide dog partnerships  
CHANTELLE WHelan¹, Lucy Asher¹, Kathryn Almack¹, Gary England¹, Sarah Freeman¹  
1. University of Nottingham, Nottingham, UK  
2. University of Newcastle, Newcastle, UK

20–P0044 Contexts and consequences of dog bites: clarifying myth from evidence  
CARRI WESTGARTH², James Oxley¹, Robert Christley²  
1. Independent Researcher, Essex, UK  
2. University of Liverpool, Liverpool, UK

21–P0045 What is a dog bite?: Definitions of a dog bite as reported by victims in the UK  
CARRI WESTGARTH², James Oxley¹, Robert Christley²  
1. Independent Researcher, Essex, UK  
2. University of Liverpool, Liverpool, UK

22–P0046 A qualitative approach exploring the psychological benefits of guide dog ownership  
ESTELLE VICKERY  
Hartpury college, Gloucester, UK

23–P0051 Shooting dogs, human/animal interactions within the Rwandan genocide  
EDUARDO BARONA¹, Elena Carrió¹  
1. Yelcho Foundation, Valencia, Valencian Community, Spain  
2. Universidad Politécnica, Madrid, Spain

24–P0053 Companion Animals Influence on the Caregiving Experience: A Proposed Model  
JESSICA BIBBO  
University of Missouri, Columbia, MO, USA

25–P0054 Posttraumatic Stress, Anxiety, and Somatic Problems among Children Exposed to Domestic Violence and Animal Maltreatment  
KSENIA DOMBO¹, Colleen Parker¹, Nani Moskal¹, Shelby McDonald¹, James Williams¹, Frank Ascione¹  
1. Virginia Commonwealth University, Richmond, VA, USA  
2. University of Denver, Denver, CO, USA

26–P0056 Canine-Child Bonding in Children with Autism Spectrum Disorder: Findings within and Across Case Studies  
JOHN-TYLER BINFET, Kathryn Struik  
University of British Columbia, Kelowna, Canada

27–P0057 Physical activity of the people with visual impairment: A preliminary study on how guide dogs facilitate their partners’ physical activity  
MARIKO YAMAMOTO  
Teikyo University of Science, Ueno, Yamanashi, Japan

28–P0058 Picture is Worth a Thousand Words: Using Children’s Drawings as a Measure of the Human-Animal Bond  
CHRISTINE TARDIF-WILLIAMS, Sandra Bosacki, Corrie Aldhelm-White  
Brock University, St. Catharines, Canada

29–P0060 Exploring the Precipitating Factors Associated with the Decision for Older Youth to Engage in Animal Activism  
CHRISTINE TARDIF-WILLIAMS, Corrie Aldhelm-White  
Brock University, St. Catharines, Canada

30–P0061 Therapy Dogs in the Classroom: A Review of Current Canadian Educational Policies  
CHRISTINE TARDIF-WILLIAMS, Sandra Bosacki, Corrie Aldhelm-White  
Brock University, St. Catharines, Canada

31–P0062 Order in the Courtroom: A Review of Current Canadian Policies Pertaining to Dogs in the Courthouse  
CHRISTINE TARDIF-WILLIAMS, Corrie Aldhelm-White  
Brock University, St. Catharines, Canada
32–P0063 Stakeholder attitudes to animal welfare during slaughter and transport in Asia
MICHELLE SINCLAIR1, Zulkifli Idrus2, Wang Yan3, Duong Van Nhiem4, Hong Van Na5, Lampang6, Sarah Zito7, Clive Phillips1
1. University of Queensland School of Veterinary Science, Queensland, Australia
2. University Putra Malaysia, School of Veterinary Science, Kuala Lumpur, Malaysia
3. Southern China Agricultural University, Livestock Ecology Lab, Guangdong, China
4. Vietnam National University of Agriculture, School of Veterinary Science, Hanoi, Vietnam
5. Suranaree University of Technology, Nakhon Ratchasima, Thailand

33–P0064 Cat Ownership Perception and Caretaking Explored in an Internet Survey of People Associated with Cats
SARAH ZITO1, Dianne Vankan2, Pauleen Bennett3, Mandy Paterson4, Clive Phillips5
1. Centre for Animal Welfare and Ethics, School of Veterinary Science, University of Queensland, Gatton, Queensland, Australia
2. School of Veterinary Science, University of Queensland, Gatton, Queensland, Australia
3. School of Psychology and Public Health, La Trobe University, Bendigo, Victoria, Australia
4. RSPCA Queensland, Wacol, Queensland, Australia

34–P0065 Animal welfare issues in transport and slaughter in the Chinese livestock industry
SARAH ZITO1, Michelle Sinclair1, Yan Wang2, Clive Phillips1
1. Centre for Animal Welfare and Ethics, School of Veterinary Science, University of Queensland, Gatton, Queensland, Australia
2. Southern China Agricultural University, Livestock Ecology Lab, Guangdong, China

35–P0066 Care and treatment of companion animals in households experiencing domestic violence: The role of veterinary professionals in addressing multidirectional violence involving pets
COLLEEN PARKER1, Ksenia Dombo1, Anna Maternick1, Nani Moskal1, Shelby McDonald1, James Williams2, Frank Ascione2
1. School of Social Work, Virginia Commonwealth University, Richmond, Virginia, USA
2. Graduate School of Social Work, University of Denver, Denver, Colorado, USA

36–P0070 Attitudes toward animals and support for animal protection policies
MYUNG-SUN CHUN1, Hang Lee1, Joon Kim1, Ki-Soo Eun2
1. College of Veterinary Medicine, Seoul National University, Seoul, Republic of Korea
2. Graduate School of International Studies, Seoul National University, Seoul, Republic of Korea

37–P0072 Pets in a family and social relation in Republic of Korea
MYUNG-SUN CHUN1, Hang Lee1, Joon Kim1, Ki-Soo Eun2
1. College of Veterinary Medicine, Seoul National University, Seoul, Republic of Korea
2. Graduate School of International Studies, Seoul National University, Seoul, Republic of Korea

38–P0074 Using YouTube to study dog bites. Analysis of context and perception of risk
SARA OWONIARCZAK-GARSTECKA, Carri Westgarth, Francine Watkins, Rob Christley, Ian Donald, Hueudong Yang
University of Liverpool, Liverpool, UK

39–P0077 Attitude towards pets in veterinary surgeons: a comparison between female and male veterinarians in Italy
CHIARA MARITI1, Angelo Gazzano1, Sabrina Giussani2
1. Dep. Veterinary Sciences - University of Pisa, Pisa, Italy
2. SISCA, Società Italiana Scienze del Comportamento Animale, Cremona, Italy

40–P0078 To Eat or to Pet?: A Comparative Analysis of Images of Animal Eating in Japan
NORIKO NIJIMA1, Azusa Takahashi1, Hideo Suzuki2
1. Yamazaki Gakuen University, Hachioji, Tokyo, Japan
2. Tokyo university of Information Sciences, Chiba, Chiba, Japan

41–P0079 What Makes a Difference to Community Cats' Wellbeing?: Comparative Research on Successful and Unsuccessful areas of the Metropolitan Zones of Japan
NORIKO NIJIMA1, Mari INOSE
Yamazaki Gakuen University, Hachioji, Tokyo, Japan

42–P0080 Temperature and heart and respiratory rates evaluation in therapist dogs during animal assisted intervention sessions for children with autistic spectrum disorder
MAJA KRAFULJAC, Aline Fernandes Melo, Giovana P. O. S. Anderlini, Jéssica M. A. da Costa, Eliane Santos
Centro Universitário CESMAC, Maceió, Alagoas, Brazil

43–P0082 Two dogs behaviour observation during the animal assisted interventions sessions
MAJA KRAFULJAC, Riclayne Barbosa Silva, Giovana P. O. S. Anderlini, Jéssica M. A. da Costa, Aline Fernandes Melo, Eliane Santos
Centro Universitário CESMAC, Maceió, Alagoas, Brazil

44–P0085 Dogs-shelter operators relationship. The impact on human quality of life and their emotional sphere. A preliminary study
LAURA ARENA1–2, Greta Berteselli1, Lejla Valeri1, Ludovico Di Giustino1, Paolo Dalla Villa1
1. Zoo e Giardino di Malpaga, Campo Boario, 64100, Teramo (TE), Italy
2. Faculty of Veterinary Medicine, University of Teramo, via R. Balzarini 1, 64100, Teramo (TE), Italy
45–P0087 The relationship of health-related outcomes to behaviors with a dog during the Pet Assisted Living (PAL) study intervention for assisted living residents with cognitive impairment
ERIKA FRIEDMANN1, Elizabeth Galik1, Sue A. Thomas1, Sue Hall1, Jooyoung Cheon1, Narae Han1, Hee Jun Kim1, Nancy Gee1
1. University of Maryland School of Nursing, Baltimore, MD, USA
2. WALTHAM Centre for Pet Nutrition, Waltham-on-the-Wolds, Leicestershire, UK

46–P0089 Can playful handling (tickling) improve human-rat interactions at pet stores?
MEGAN R. LAFOLLETTE, Brianna N. Gaskill, Marguerite E. O’Haire
Purdue University, West Lafayette, Indiana, USA

47–P0090 Measuring between visit effects of dog visits to nursing homes
TIA HANSEN1, Maria Castro Rojas1, Karen Thodberg2
1. Aalborg University, Aalborg, Denmark
2. Aarhus University, Aarhus, Denmark

48–P0092 Veterinary medicine students trained using animal dummies simulators: attitudes and results
CARMEN LUZ BARRIOS1, Paola Torres1, Paula Calvo2
1. Universidad Mayor, Santiago, Chile
2. Universitat Autònoma de Barcelona, Barcelona, Spain

49–P0093 Horses for Heros: Equine Assisted Intervention to Support Post-Traumatic Growth in Military Veterans
CHERYL KRAUSE-PARELLO, Allison Boyrer, Eleni Padden
University of Colorado-College of Nursing, Aurora, CO, USA

50–P0094 Can Non-Verbal Autistic Children and Donkeys be Equal Participants in Animal Assisted Interventions?
MICHELLE WHITHAM JONES
University Of Exeter, Devon, UK

51–P0097 Animal Assisted Intervention in geriatric patients with ostearticular pain and poli-medications
MAYLOS RODRIGO CLAVEROL1,2, Carles Casanova Gonzalvo3, Belén Malla Clua1, Meritxell Solé Pujol1, Júlia Jové Naval1, Esther Rodrigo Claverol2
1. CAP Bordeta-Magraners (ICS), Lleida, Spain
2. Associació Ilfaran, Lleida, Spain

52–P0098 Animal Assisted Therapy: multidimensional approach for people with intellectual disabilities
MAYLOS RODRIGO CLAVEROL1,2, Josep Xavier Prunera Prunera2, Meritxell Solé Pujol1, Carles Casanova Gonzalvo3, Júlia Jové Naval1, Jessica Bergada Bell-lloch1
1. Associació Ilfaran, Lleida, Spain
